A young man with a mysterious past and a penchant for inventing things leaves the troll who raised him, meets an unhappy princess he has loved from afar, and discovers a plot against her and her father. What adventures will Thursday bring? This delightful New York Times bestselling series from Jessica Day George now has a fresh new look. A girl travels east of the sun and west of the moon to free her beloved prince from a magic spell. Set in the magical world of Renthia, The

Queen of Blood is Sarah Beth Durst ' s ambitious entry into adult epic fantasy. With the danger of Peter Brett ' s *The Warded Man*, heart of Naomi Novik ' s *Uprooted*, and lyricism of Patrick Rothfuss ' *The Name of the Wind*, this is the first chapter in a series destined to be a classic. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . But the spirits that reside within this land want to rid it of all humans. One woman stands between these malevolent spirits and the end of humankind: the queen. She alone has the magical power to prevent the spirits from destroying every man, woman, and child. But queens are still just human, and no matter how strong or good, the threat of danger always looms. With the position so precarious, young women are chosen to train as heirs. Daleina, a seemingly quiet academy student, is under no illusions as to her claim to the throne, but simply wants to right the wrongs that have befallen the land. Ven, a disgraced champion, has spent his exile secretly fighting against the growing number of spirit attacks. Joining forces, these daring partners embark on a treacherous quest to find the source of the spirits ' restlessness—a journey that will test their courage and trust, and force them to stand against both enemies and friends to save their land . . . before it ' s bathed in blood. In this hilarious, romantic sequel to *Not Your Average Hot Guy*, Callie and Luke's date night is thwarted when Lucifer gives them three days to redeem a soul. During a summer vacation at the beach, thirteen-year-old wizard Nita and her friend Kit

assist the whale-wizard S'reee in combating an evil power. Comfort Me With Apples is a terrifying new thriller from bestseller Catherynne M. Valente, for fans of *Gone Girl* and *Spinning Silver*. Strange things. Dark things. The look on her husband's face when he comes back from a long business trip. The questions he will not answer. The locked basement she is never allowed to enter. And whenever she asks the neighbors, they can't quite meet her gaze.... But everything is perfect. Isn't it? Fifteen-year-old Creel is floored when her aunt suggests they sacrifice her to a dragon to attract the attention of a marriageable knight. But when the dragon appears, Creel bargains for her life - and ends up with an unusual pair of blue slippers. It ' s not until the slippers are stolen by a princess that Creel learns a terrible truth: the slippers are made from the hide of a dragon queen, and enable

the wearer to control all the dragons in the land. Now under the command of the princess, who is eager to start a war, the dragons begin to attack the city.
