Inheriting the Past Oct 26 2019 In recent years, archaeologists and Native American communities have struggled to find common ground even though more than a century ago a man of Seneca descent raised on New York's Cattaraugus Reservation, Arthur C. Parker, joined the ranks of professional archaeology. Until now, Parker's life and legacy as the first Native American archaeologist have been neither closely studied nor widely recognized. At a time when heated debates about the control of Native American heritage have come to dominate archaeology, Parker's experiences form a singular lens to view the field's tangled history and current predicaments with Indigenous peoples. In *Inheriting the Past*, Chip Colwell-Chanthaphonh examines Parker's winding career path and asks why it has taken generations for Native peoples to follow in his footsteps. Closely tracing Parker's life through extensive archival research, Colwell-Chanthaphonh explores how Parker crafted a professional identity and negotiated dilemmas arising from questions of privilege, ownership, authorship, and public participation. How Parker, as well as the discipline more broadly, chose to address the conflict between Native American rights and the pursuit of scientific discovery ultimately helped form archaeology's moral community. Parker's rise in archaeology just as the field was taking shape demonstrates that Native Americans could have found a place in the scholarly pursuit of the past years ago and altered its trajectory. Instead, it has taken more than a century to articulate the promise of an Indigenous archaeology—*an* archaeological practice carried out by, for, and with Native peoples. As the current generation of researchers explores new possibilities of inclusiveness, Parker's struggles and successes serve as a singular reference point to reflect on archaeology's

history and its future.

Plunder Squad Jul 16 2021 “Hearing the click behind him, Parker threw his glass straight back over his right shoulder, and dove off his chair to the left.” When a job looks like amateur hour, Parker walks away. But even a squad of seasoned professionals can't guarantee against human error in a high-risk scam. Can an art dealer with issues unload a truck of paintings with Parker's aid? Or will the heist end up too much of a human interest story, as luck runs out before Parker can get in on the score? “Parker is refreshingly amoral, a thief who always gets away with the swag.”—Stephen King, *Entertainment Weekly* “Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible.”—*Washington Post Book World*

The Man with the Getaway Face Aug 05 2020 You probably haven't ever noticed them. But they've noticed you. They notice everything. That's their job. Sitting quietly in a nondescript car outside a bank making note of the tellers' work habits, the positions of the security guards. Lagging a few car lengths behind the Brinks truck on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They're thieves. Heisters, to be precise. They're pros, and Parker is far

and away the best of them. If you're planning a job, you want him in. Tough, smart, hardworking, and relentlessly focused on his trade, he is the heister's heister, the robber's robber, the heavy's heavy. You don't want to cross him, and you don't want to get in his way, because he'll stop at nothing to get what he's after. Parker, the ruthless antihero of Richard Stark's eponymous mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unapologetic amorality, and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of crime writing, his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover—and become addicted to. Parker goes under the knife in *The Man with the Getaway Face*, changing his face to escape the mob and a contract on his life. Along the way he scores his biggest heist yet: an armored car in New Jersey, stuffed with cash. “Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible.”—*Washington Post Book World* “Elmore Leonard wouldn't write what he does if Stark hadn't been there before. And Quentin Tarantino wouldn't write what he does without Leonard. . . . Old master that he is, Stark does all of them one better.”—*Los Angeles Times* “Donald Westlake's Parker novels are among the small number of books I read over and over. Forget all that crap you've been telling yourself about War and Peace and Proust—these are the books you'll want on that desert island.”—Lawrence Block

Ed Parker's Encyclopedia of Kenpo Sep 25 2019 Compiled and published in 1992, two years after Mr. Parker's death in Dec. of 1990, this work represented a monumental task, a labor of love by the creator, founder and Senior Grandmaster of American Kenpo. From his first day of training, Mr. Parker had been fascinated by

Kenpo, its unique nature kept his curiosity aroused and continually wet his appetite for an ever increasing knowledge throughout his life. As he pursued knowledge by dissecting motion, he reaffirmed his belief that logic was the key ingredient influencing consistent organized methods of study. Structuring his work, he achieved clarity along with the ability to modify and update newly discovered concepts, theories, and principles. Mr. Parker developed a distinctive method of converting verbal language into physical language as he personalized lessons through the use of analogies, sayings, and short stories. This personalized teaching method allowed him to expand unilaterally, resulting in a generation of new concepts as well as a new and equally terminology, devised, developed and included in the Kenpo experience. Together with the other writings of Mr. Parker, this volume brings together, into a cohesive whole, the mind of a Master of Motion. His admonition is straightforward and simple, "Study the contents of this book, and make learning a delightful experience. Allow Kenpo to become your second language if you are not already bilingual. Master the Kenpo language, and expand your knowledge beyond your expectations. Most importantly, remember that this language of motion, one physically ingrained and internalized, can save your life."

Robert B. Parker's Revelation Dec 01 2022 Itinerant lawmen Virgil Cole and Everett Hitch return to confront an escaped criminal in the grittiest entry yet in Robert B. Parker's New York Times bestselling series. Territorial marshals Virgil Cole and Everett Hitch figured things had finally settled down in Appaloosa when Boston Bill Black's murder charge was dropped. But all that changed when Augustus Noble Driggs was transferred to a stateside penitentiary just across the border from Mexico. Square-jawed, handsome, and built like a muscled thoroughbred stallion, Driggs manages to intimidate everyone inside the prison

walls, including the upstart young warden. In a haunting twist of fate, Driggs and a pack of cold-blooded convicts are suddenly on the loose—and it's up to any and all territorial lawmen, including Cole and Hitch, to capture the fugitives and rescue the woman kidnapped during their escape. But nothing is ever quite what it seems with the ever-elusive Driggs. Finally free, he's quickly on his own furious hunt for a hidden cache of gold and jewels—and for the men who betrayed him and left him for dead. With an unlikely and unconventional Yankee detective by their side, Cole and Hitch set off on a massive manhunt. As horses' hooves thunder and guns echo deadening reports, Driggs discovers one of the lawmen on his trail is none other than a fellow West Point graduate he'd just as soon see dead. Ruthless and willing to leave a bloody path of destruction in his wake, Driggs seeks vengeance at any cost.

Quanah Parker, Comanche Chief Mar 12 2021 Quanah Parker is a figure of almost mythical proportions on the Southern Plains. The son of Cynthia Parker, a white captive whose subsequent return to white society and early death had become a Texas frontier legend, Quanah rose from able warrior to tribal leader on the Comanche reservation. Other books about Quanah Parker have

been incomplete, are outdated, or are lacking in scholarly analysis. William T. Hagan, the author of *United States-Comanche Relations*, knows Comanche history. This new biography, written in a crisp and readable style, is a well-balanced portrait of Quanah Parker, the chief, and Quanah, the man torn between two worlds. Between 1875 and his death in 1911, Quanah strove to cope with the changes confronting tribal members. Dealing with local Indian agents and with presidents and other high officials in Washington, he faced the classic dilemma of a leader caught between the dictates of an occupying power and the wrenching physical and spiritual needs of his people. Quanah was never one to decline the perquisites of leadership. Texas cattlemen who used his influence to gain access to reservation grass for their herds rewarded him liberally. They financed some of his many trips to Washington and helped him build a home that remains to this day a tourist attraction. Such was his fame that Teddy Roosevelt invited him to take part in his inaugural parade and subsequently intervened personally to help him and the Comanches as their reservation dissolved. Maintaining a remarkable blend of progressive and traditional beliefs, Quanah epitomized the Indian caught in the middle. Valued by almost all Indian agents with whom he dealt, he nevertheless practiced polygamy and the peyote religion - both contrary to government policy. Other Indians functioned as middlemen, but through his force and intelligence, and his romantic origins, Quanah Parker achieved unparalleled success and enduring renown. -- Publisher description

Blue-Eyed Devil May 02 2020 Once, Appaloosa law was Virgil Cole and Everett Hitch. Now it's Amos Callico, a vindictive, power-hungry tin star with bigger aims-and he could use Cole and Hitch on his side. This time the paid guns aren't for hire, which

makes Callico a very vengeful man. But threatening Cole and Hitch ignites something just as dangerous.

Robert B. Parker's Angel Eyes Mar 24 2022 In the latest thriller featuring the legendary Boston PI, Spenser heads to the City of Angels to meet old friends and new enemies in a baffling missing person case that might shake Tinseltown to its core. Gabby Leggett left her Boston family with dreams of making it big as a model/actress in Hollywood. Two years later, she disappears from her apartment. Her family, former boyfriend, and friends--and the police--have no idea where she is and no leads. Leggett's mother hires Spenser to find her, with the help of his former apprentice, Zebulon Sixkill, now an L.A. private eye. Spenser barely has time to unpack before the trail leads to a powerful movie studio boss, the Armenian Mob, and a shadowy empowerment group some say might be a dangerous cult. It's soon clear that Spenser and Sixkill may be outgunned this time, and series favorites Chollo and Bobby Horse ride to the rescue to provide backup. From the mansions of Beverly Hills to the lawless streets of a small California town, Spenser will need to watch his step. In Hollywood, all that glitters isn't gold. And not all those who wander are lost.

Robert B. Parker's Damned If You Do Dec 29 2019 Police Chief Jesse Stone returns in another outstanding entry in the New York Times-bestselling series. The woman on the bed was barely out of her teens. She wasn't exactly beautiful, but she'd tried to make the most of her looks. And now, alone in a seedy beachfront motel, she was dead. Paradise Police Chief Jesse Stone doesn't know her name. Whoever she is, she didn't deserve to die. Jesse starts digging, only to find himself caught in the crosshairs of a bitter turf war between two ruthless pimps. And more blood will spill before it's over.

Firebreak Jan 28 2020 Between Parker's 1961 debut and his return in the late 1990s, the whole world of crime changed. Now fake IDs and credit cards had to be purchased from specialists;

increasingly sophisticated policing made escape and evasion tougher; and, worst of all, money had gone digital—the days of cash-stuffed payroll trucks were long gone. But cash isn't everything: Flashfire and Firebreak find Parker going after, respectively, a fortune in jewels and a collection of priceless paintings. In Flashfire, Parker's in West Palm Beach, competing with a crew that has an unhealthy love of explosions. When things go sour, Parker finds himself shot and trapped—and forced to rely on a civilian to survive. Firebreak takes Parker to a palatial Montana "hunting lodge" where a dot-com millionaire hides a gallery of stolen old masters—which will fetch Parker a pretty penny if his team can just get it past the mansion's tight security. The forests of Montana are an inhospitable place for a heister when well-laid plans fall apart, but no matter how untamed the wilderness, Parker's guaranteed to be the most dangerous predator around.

[The Black Angel](#) Dec 21 2021 Assisting a friend in a search for a kidnapped woman, detective Charlie Parker links the abduction to a church of bones in Eastern Europe, a 1944 slaughter at a French monastery, and the myth of an object known as the Black Angel.

The Art of Gathering Oct 31 2022 "Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-

centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Parker Looks Up Apr 24 2022 A New York Times bestseller! A visit to Washington, DC's National Portrait Gallery forever alters

Parker Curry's young life when she views First Lady Michelle Obama's portrait. When Parker Curry came face-to-face with Amy SHERALD's transcendent portrait of First Lady Michelle Obama at the National Portrait Gallery, she didn't just see the First Lady of the United States. She saw a queen—one with dynamic self-assurance, regality, beauty, and truth who captured this young girl's imagination. When a nearby museum-goer snapped a photo of a mesmerized Parker, it became an internet sensation. Inspired by this visit, Parker, and her mother, Jessica Curry, tell the story of a young girl and her family, whose trip to a museum becomes an extraordinary moment, in a moving picture book. Parker Looks Up follows Parker, along with her baby sister and her mother, and her best friend Gia and Gia's mother, as they walk the halls of a museum, seeing paintings of everyone and everything from George Washington Carver to Frida Kahlo, exotic flowers to graceful ballerinas. Then, Parker walks by SHERALD's portrait of Michelle Obama...and almost passes it. But she stops...and looks up! Parker saw the possibility and promise, the hopes and dreams of herself in this powerful painting of Michelle Obama. An everyday moment became an extraordinary one...that continues to resonate its power, inspiration, and indelible impact. Because, as Jessica Curry said, "anything is possible regardless of race, class, or gender." **FOREWORD BY ARTIST AMY SHERALD**

The big boys figure a little blackmail will put her husband out of the race. Until Spenser hops on the candidate's bandwagon. But getting back the tape of the lady's X-rated indiscretion is a nonstop express ride to trouble--trouble that is deep, wide and deadly.

Robert B. Parker's Someone to Watch Over Me Sep 29 2022

In the latest thriller featuring the legendary Boston PI, Spenser and his young protégé Mattie Sullivan take on billionaire money manager running a network of underaged girls for his rich and powerful clients. Ten years ago, Spenser helped a teenage girl named Mattie Sullivan find her mother's killer and take down an infamous Southie crime boss. Now Mattie--a college student with a side job working for the tough but tender private eye--dreams of being an investigator herself. Her first big case involves a fifteen-year-old girl assaulted by a much older man at one of Boston's most prestigious private clubs. The girl, Chloe Turner, only wants the safe return of her laptop and backpack. But like her mentor and boss, Mattie has a knack for asking the right questions of the wrong people. Soon Spenser and Mattie find ties between the exploitation of dozens of other girls from working class families to an eccentric billionaire and his sadistic henchwoman with a mansion on Commonwealth Avenue. The mystery man's wealth, power and connections extend well beyond Massachusetts - maybe even beyond the United States. Spenser and trusted ally Hawk must again watch out for Mattie as she unravels a massive sex-trafficking ring that will take them from Boston to Boca Raton to the Bahamas, crossing paths with local toughs, a highly-trained security company, and an old enemy of Spenser's--the Gray Man--for a final epic showdown.

The Courage to Teach Sep 05 2020 "This book is for teachers who have good days and bad — and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." — Parker J. Palmer [from the Introduction] For many years, Parker Palmer has worked on behalf of teachers and others who choose their vocations for reasons of the heart but may lose heart because of the troubled, sometimes toxic systems in which they work. Hundreds of thousands of readers have benefited from his approach in **THE COURAGE TO TEACH**, which takes teachers on

an inner journey toward reconnecting with themselves, their students, their colleagues, and their vocations, and reclaiming their passion for one of the most challenging and important of human endeavors. This book builds on a simple premise: good teaching cannot be reduced to technique but is rooted in the identity and integrity of the teacher. Good teaching takes myriad forms but good teachers share one trait: they are authentically present in the classroom, in community with their students and their subject. They possess "a capacity for connectedness" and are able to weave a complex web of connections between themselves, their subjects, and their students, helping their students weave a world for themselves. The connections made by good teachers are held not in their methods but in their hearts — the place where intellect, emotion, spirit, and will converge in the human self — supported by the community that emerges among us when we choose to live authentic lives. BONUS: Includes an audio CD featuring a 45-minute conversation between Parker Palmer and his colleagues, Marcy Jackson and Estrus Tucker from the Center for Courage & Renewal. They reflect on what they have learned from working with thousands of teachers in their "Courage to Teach" program (www.CourageRenewal.org) and with others who yearn for greater integrity in their professional lives. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Robert B. Parker's Stone's Throw Jun 26 2022 Paradise is rocked by the mayor's untimely death in the latest novel starring police chief Jesse Stone. The town of Paradise receives a tragic shock when the mayor is discovered dead, his body lying in a shallow grave on a property on the lake. It's ostensibly suicide, but Jesse's has his doubts . . . especially because the piece of land where the man was found is the subject of a contentious and dodgy land deal. Two powerful moguls are fighting over the right to buy and develop the prime piece of real estate, and one of them has brought in a hired gun, an old adversary of Jesse's: Wilson

Cromartie, aka Crow. Meanwhile, the town council is debating if they want to sacrifice Paradise's stately character for the economic boost of a glitzy new development. Tempers are running hot, and as the deaths begin to mount, it's increasingly clear that the mayor may have standing in the wrong person's way.

The Portable Dorothy Parker Jan 02 2023 The second revision in sixty years, this sublime collection ranges over the verse, stories, essays, and journalism of one of the twentieth century's most quotable authors. In this new twenty-first-century edition, devoted admirers will be sure to find their favorite verse and stories. But a variety of fresh material has also been added to create a fuller, more authentic picture of her life's work. At the heart of her serious work lie her political writings dealing with race, labor, and international politics. "A Dorothy Parker Sampler" blends the sublime and the silly with the terrifying, a sort of tasting menu of verse, stories, essays, political journalism, a speech on writing, plus a catchy off-the-cuff rhyme she never thought to write down. The introduction of two new sections is intended to provide the richest possible sense of Parker herself. "Self-Portrait" reprints an interview she did in 1956 with *The Paris Review*, part of a famed ongoing series of conversations ("Writers at Work") conducted with the best of twentieth-century writers. "Letters: 1905-1962," which might be subtitled "Mrs. Parker Completely Uncensored," presents correspondence written over the period of a half century, beginning in 1905 when twelve-year-old Dottie wrote her father during a summer vacation on Long Island, and concluding with a 1962 missive from Hollywood describing her fondness for Marilyn Monroe. Features an introduction by Marion Meade and cover illustrations by renowned graphic artist Seth, creator of the comic series Palookaville For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished

scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Order of Imagination May 14 2021 "For more than forty years, Olivia Parker's poetic and alluring photographs have transformed the everyday and made the familiar strange. In deceptively simple still lives and complex, dreamlike constructions that incorporate a rich variety of found objects, her photographs create unexpected juxtapositions that provoke uncertainty and delight. Parker's longstanding fascination with flux and change extends to her most recent series, a powerful meditation on the devastating loss of her husband to Alzheimer's disease. This volume, the definitive study of Parker's career, includes curator Sarah Kennel's detailed artistic biography and poet and essayist Rachel Hadas's reflections on art's ability to offer solace amidst grief. More than one hundred beautifully illustrated works, many of which are published here for the first time, are accompanied by Parker's lyrical reflections on her art and process. This publication accompanies the exhibition *Order of Imagination: The Photographs of Olivia Parker* on view at the Peabody Essex Museum, Salem, Massachusetts, from July 13 to November 11, 2019. Formerly The Byrne Family Curator of Photography at the Peabody Essex Museum, Sarah Kennel is the Donald and Marilyn Keough Family Curator of Photography at the High Museum of Art, Atlanta"--

Darwyn Cooke crafted four universally acclaimed Parker graphic novels, adapted from the

works of Richard Stark (A pseudonym for Donald Westlake), before his untimely death. This volume will be (along with the Martini Edition) the last word on Cooke's brilliant Parker stories. This edition is a loving tribute to the legacy of Darwyn Cooke and Parker.

Horatio Parker, 1863-1919 Jun 14 2021 During the early 1900s, Horatio Parker was one of the best-known composers in the United States. He received numerous commissions and was a patriarchal figure among America's Protestant church musicians and choral societies; his symphonic works were performed by the leading orchestras of the day; and he headed the Yale School of Music for twenty-five years. Kearns's study is a thorough analysis of the circumstances leading to Parker's popularity in pre- World War I America and his neglect thereafter. The book includes a detailed narration of the composer's life and an extensive description of his major works. Over fifty examples of his music are included, as well as a comprehensive listing of works and writings.
