The New York Times bestselling team Tom Taylor and Bruno Redondo bring you the second volume in their Nightwing epic. A mysterious entity has hacked Oracle's system and turned Gotham into an epicenter for panic! Nightwing teams up with Batgirl to face their greatest fears and take the Anti-Oracle down. The Bat-Family realizes Oracle's system has been hacked! But who is powerful enough to break into Oracle's own super-secure network? Not only that, this mysterious Anti-Oracle is taking advantage of Gotham City's state of fear and has bombarded the city with falsities.. With the Bat-Team's comms unreliable, Nightwing heads to Gotham to find the source of Anti-Oracle's transmissions. When Batgirl and Nightwing accidentally get hit with something it reveals their deepest fears...and it involves each other. Collects Nightwing #95-100 When down-and-out alien exterminator Heath Houston stumbles upon an extraterrestrial plot to commit genocide on humanity, he's forced to choose between the bottle and resuming his role as a peacekeeper as the last Fear Agent. The Quincies's Thousand Year Blood War is over, but the embers of turmoil still smolder in the Soul Society. Tokinada Tsunayashiro, elevated to head of his clan after a slew of assassinations take out every other claimant to the title, has a grand plan to create a new Soul King. His dark ambitions soon sow the seeds of a new total war across the realms, but all is not lost. There is one unlikely Soul Reaper who holds the key to defusing the conflict—Shuhei Hisagi, assistant captain of the Ninth Company and reporter for the Seireitei Bulletin! -- VIZ Media Matt Murdock's life has been near the edge of destruction for the past few years, but now that he's been pushed beyond the limit, Matt finds himself behind the eight ball with no clear way out, as the people he calls friends slowly desert him and Hell's kitchen gradually slips out of control. When the Bat-Family receives misleading information and incorrect directions from Oracle, ones Babs didn't send herself, they realize Oracle's system has been hacked! But who is powerful enough to break into Oracle's own super-secure network? And what personal information is now at risk? Not only that, this mysterious Anti-Oracle is taking advantage of Gotham City's state of fear and has bombarded the city with falsities, spreading even more fear. With the Bat-Team's comms unreliable, Nightwing heads to Gotham to find the source of Anti-Oracle's transmissions. Only Loki can save us! Fear has taken hold of the planet, and Earth's only hope is that Thor can fulfill an ancient prophecy and destroy the Serpent - at the cost of his own life. It's a plan that's doomed to fail - without help from Loki, who was once Asgard's greatest villain and now, reborn as a child, may become its greatest protector. Loki and his team of damned souls and deadly foes are taking the fight to the seat of the Serpent's power. COLLECTING: JOURNEY INTO MYSTERY 626.1, 627-631 Dick Grayson and Jason Todd, the first Robins, both long ago stepped out of the shadow of the Bat and began walking very different paths on their respective journeys to become who they are today. But now their paths converge and these two brothers unite for one goal. With escrima stick and a crowbar combined, Nightwing and Red Hood are ready for anything...anything except what they have to face next! Don't miss out on this explosive adventure! Collects Daredevil: The Man Without Fear #1-5 Collects X-Force (2014) #7-10, X-Men Legacy #300. Over the last decade, Europe and most advanced economies experienced a decline in productivity, leading to political unrest and rising uncertainty about the future. A new production revolution, enabled in part by artificial intelligence (AI), is now emerging, bringing a new wave of technologies, but there are widespread fears that these changes also will bring a big rise in unemployment as machines replace human beings in big numbers. History tells us that we should not be afraid of industrial change. AI will take over some tasks, but this will not happen all of a sudden and there will be plenty of work left for humans. Restricting or slowing down new technology will not help the world economy. Instead, nations need to help people adjust to more technically advanced jobs, while education should focus more on "21st century skills" such as teamwork and critical thinking. These are our next real challenges. This is the second essay in the Big Ideas series created by the European Investment Bank. Fear, compassion, evil, courage, hope, wonder, the exquisite terror of not knowing what will happen on the next page to characters you care about deeply—these are the marvels that Dean Koontz weaves into the unique tapestry of every novel. His storytelling talents have earned him the devotion of fans around the world, making him one of the most popular authors of our time, with more than 200 million copies of his books sold worldwide. Christopher Snow is different from all the other residents of Moonlight Bay, different from anyone you've ever met. For Christopher Snow has made his peace with a very rare genetic disorder shared by only one thousand other Americans, a disorder that leaves him dangerously vulnerable to light. His life is filled with the fascinating rituals of one who must embrace the dark. He knows the night as no one else ever will, ever can—the mystery, the beauty, the many terrors, and the eerie, silken rhythms of the night—for it is only at night that he is free. Until the night he witnesses a series of disturbing incidents that sweep him into a violent mystery only he can solve, a mystery that will force him to rise above all fears and confront the many-layered strangeness of Moonlight Bay and its residents. Once again drawing daringly from several genres, Dean Koontz has created a narrative that is a thriller, a mystery, a wild adventure, a novel of friendship, a rousing story of triumph over severe physical limitations, and a haunting cautionary tale. This ebook edition contains a special preview of Dean Koontz's The Silent Corner. “We don't choose who we save, Bruce. You treat the patient who needs your help.”-Thomas Wayne “Shadows of the Bat” begins here! In the prelude to January's epic new Detective Comics event, Mayor Nakano has signed off on the construction of a new Arkham Tower in the heart of Gotham City, and the Bat-Family is torn. Batman has long seen Arkham as a necessary, if flawed, cog in the gears of Gotham City—a temporary solution to larger problems that in many ways mirrors his approach as Batman. Nightwing, however, who grew up watching Arkham mutate into a villain factory, believes a different approach is needed. But Bruce and Dick will need to see eye to eye on more than just Arkham Tower, as a new villain known as THE MAEGER MAN wreaks havoc in the streets and becomes the embodiment of Gotham's broken system! When the cops brought Bruce Wayne in for questioning last month, a giant money-man with a bazooka and a mustache for days blew the place up. So what's that mean for Gotham's ex-favorite son? Well, it means Bruce Wayne has to spend a weekend in lockup! Can Batman's alter ego go the weekend without getting stabbed? (I suppose to be fair, he's stabbed on the reg as Batman anyway...) PLUS: A major Batman villain meets his death in a story that will rock the world of Gotham City in a monstrous way! Do not miss: The Night [REDACTED] Was Killed by Dan Watters and Kyle Hotz! When the cops brought Bruce Wayne in for questioning last month, a giant money-man with a bazooka and a mustache for days blew the place up. So what's that mean for Gotham's ex-favorite son? Well, it means Bruce Wayne has to spend a weekend in lockup! Can Batman's alter ego go the weekend without getting stabbed? (I suppose to be fair, he's stabbed on the reg as Batman anyway...) PLUS: A major Batman villain meets his death in a story that will rock the world of Gotham City in a monstrous way! Do not miss: The Night [REDACTED] Was Killed by Dan Watters and Kyle Hotz! The second volume of the Buffy the Vampire Slayer Collection, featuring content previously published in the Buffy the Vampire Slayer Magazine. Each volume brings together a collection of the best of the official Buffy the Vampire Slayer Magazine content, celebrating the Slayer, her world and her legacy. Featuring cast and crew interviews, in-depth features and behind the scenes pictures and secrets, this is an essential read for Buffy fans old and new. "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. In this volume of the NYT bestselling survival horror, Rick and his band of survivors work to build a larger network of thriving communities, and soon discover that Negan's 'Saviors' prove to be a larger threat than they could have fathomed. Crossing Negan will lead to serious, dire consequences for the group; it seems that for the first time since the Governor's reign of terror that Rick may have Something to Fear. Collects THE WALKING DEAD 97-102 A New York Times Bestseller! Batman must face the madness of the Mad Hatter, and then take on the Talons of the Court of Owls! But even if he survives that, he must face a whole new set of fears when the Scarecrow returns! Can the Dark Knight overcome the terror the Scarecrow brings? And explore the bizarre similarities between these two enemies and how the idea of fear has shaped their lives! This Handbook brings together and integrates comprehensively the core approaches to fear and anxiety. Its four sections: Animal models; neural systems; pharmacology; and clinical approaches, provide a range of perspectives that interact to produce new light on these important and sometimes dysfunctional emotions. Fear and anxiety are analyzed as patterns that have evolved on the basis of their adaptive functioning in response to threat. These patterns are stringently selected, providing a close fit with environmental situations and events; they are highly conservative across mammalian species, producing important similarities, along with some systematic differences, in their human expression in comparison to that of nonhuman mammals. These patterns are described, with attention to both adaptive and maladaptive components, and related to new understanding of neuroanatomic, neurotransmitter, and genetic mechanisms. Although chapters in the volume acknowledge important differences in views of fear and anxiety stemming from animal vs. human research, the emphasis of the volume is on a search for an integrated view that will facilitate the use of animal models of anxiety to predict drug response in people; on new technologies that will enable direct evaluation of biological mechanisms in anxiety disorders; and on strengthening the analysis of anxiety disorders as biological phenomena. • Integrates animal and human research on fear and anxiety • Presents emerging and developing fields of human anxiety research including imaging of anxiety disorders, the genetics of anxiety, the pharmacology of anxiolysis, recent developments in classification of anxiety disorders, linking these to animal work • Covers basic research on innate and conditioned responses to threat • Presents work from the major laboratories, on fear learning and extinction • Reviews research on an array of neurotransmitter and neuromodulator systems related to fear and anxiety • Compares models, and neural systems for learned versus unlearned responses to threat • Relates the findings to the study, diagnostics, and treatment of anxiety disorders, the major source of mental illness in modern society (26 % of Americans are affected by anxiety disorders!) Huntress returns in an all-new one-shot adventure! Gotham's Violet Vengeance lived through a lot in the last few weeks...including her brain being invaded by a violent parasite bent on sending her on a deadly slugfest bender. Not fun, amiright? Well, Helena Bertinelli is no one to mess with—and when the villainous Vile's parasite gives her the ability to see through the eyes of his victims? You best believe she's gonna track him down and pop an arrow in that slimeball. Look out, Batman, Huntress is on the prowl... Now available in three thematic volumes, the second edition of Moral Issues in Global Perspective is a collection of the newest and best articles on current moral issues by moral and political theorists from around the globe. Each volume seeks to challenge the standard approaches to morality and moral issues shaped by Western liberal theory and to extend the inquiry beyond the context of North America. Covering a broad range of issues and arguments, this collection includes critiques of traditional liberal accounts of rights, justice, and moral values, while raising questions about the treatment of disadvantaged groups within and across societies affected by globalization. Providing new perspectives on issues such as war and terrorism, reproduction, euthanasia, censorship, and the environment, each volume of Moral Issues in Global Perspective incorporates work by race, class, feminist, and disability theorists. Human Diversity and Equality, the second of the three volumes, examines issues of equality and difference and the effects, within and across borders, of kinds of discrimination on the basis of race, ethnicity, gender, disability, class, and sexual orientation. Nine essays are new, four of which were written especially for this volume. Moral Issues in Global Perspective is available in three separate volumes—Moral and Political Theory, Human Diversity and Equality, and Moral Issues. Trapped in the past with the Feeders advancing on Earth, alien exterminator Heath Huston must stop the automaton regime responsible for robbing him of all he loves before the alien infestation arrives on his home planet. Hikone Ubuginu's mysterious origin story, and the secrets behind the very existence of the Soul Reapers and all their allies and adversaries, could be revealed to incite an all-out battle royal. Meanwhile, Urahara and Hisagi face down formidable enemies in Karakura Town as Tokinada Tsunayashiro's fiendish plan unfolds! -- VIZ Media A graphic novel adaptation of the play about the rise and fall of a Scottish king. The brilliantly shocking story of the ultimate transplant from New York Times bestselling author Robert A. Heinlein. As startling and provocative as his famous Stranger in a Strange Land, here is Heinlein's awesome masterpiece about a man supremely talented, immensely old and obscenely wealthy who discovers that money can buy everything. Even a new life in the body of a beautiful young woman. Once again, master storyteller Robert A. Heinlein delivers a wild and intriguing classic of science fiction. The Haunt font overfloweth! Collecting issues #15-#17 and #4-#6 of the classic horror series, and features gorgeous new digital colors—using Marie Severin's original palette as a guide, this volume includes unforgettable stories drawn by all-star comic artists Johnny Craig, Al Feldstein, Harvey Kurtzman, Harry Harrison, Wallace Wood, Graham Ingles, Jack Kamen, and Jack Davis! “Fear State” aftermath! Bloody, broken, and beaten... Batman had a mission after The Joker War. He would no longer look over Gotham City from Wayne Manor; he would move to the heart of the city, get closer to its people and its problems. The fight he pursued would be different, but after Fear State he finds himself disillusioned. He is no longer the protector the city needs, and definitely not the one it deserves. Batman's last night in Gotham City before his international sojourn is here. Backup: Harley Quinn guest-stars in the culmination of “Foundations”! Must Gotham City have an Arkham facility, and if so...will it be any different, or is doom on its way? As the Soul Society's secrets are brought to light in the mysterious figure of Hikone Ubuginu, the full terror of Tokinada Tsunayashiro's plan is revealed. Shuhei Hisagi must grasp the true ability of his zanpaku-to and the meaning of its name. Can a single blade sever the consequences of death? -- VIZ Media Batman must face the madness of the Mad Hatter, and then take on the Talons of the Court of Owls! But even if he survives that, he must face a whole new set of fears when the Scarecrow returns! Can the Dark Knight overcome the terror the Scarecrow brings? And explore the bizarre similarities between these two enemies and how the idea of fear has shaped their lives! Christopher Snow is athletic, handsome enough, intelligent, romantic, funny. But his whole life has been affected by xeroderma pigmentosum, a rare genetic disorder that means his skin and eyes cannot be exposed to sunlight. Like all Xpers, Chris lives at night - and has never ventured beyond his hometown of Moonlight Bay, a place of picturesque beauty and haunting strangeness; he knows it as no one else can possibly know it, is intimate with its shadows and darkest hours. Despite the limitations imposed by nature, he has always been determined to lead the fullest life and, with the help of family and friends, he has on the whole succeeded. But for Chris - and all the inhabitants of Moonlight Bay - a terrible change is about to happen; a change of potentially catastrophic proportions. Title from cover. Volume numbering from spine. The outlook isn't sunny for Heath Huston or his ensemble of Fear Agents — planet Earth is infested by Feeder aliens, robotic conquerors are manipulating the universe through time travel, and Heath discovers a traitor in their midst! Rick Remender (Uncanny X-Force) teams up with artists Tony Moore (The Walking Dead) and Jerome Opena (Avengers) for a relentless, heartfelt sci-fi adventure that harks back to the glory days of EC Comics. This second volume of the deluxe Fear Agent Library Edition, which collects issues #17-32 of the popular series, also includes Tales of the Fear Agent bonus stories and a massive gallery of covers, sketches, and pin ups. The second collection of the modern pulp sci-fi classic shines a light on the history of Heath Huston, and how the Fear Agents were born from the courage and conviction of desperate humans. Dive into the past and discover how Heath became the hard-drinking, straight-shooting, destitute hero we know and love. Collects FEAR AGENT #12-21 PULITZER PRIZE FINALIST An epic, riveting history of New York City on the edge of disaster—and an anatomy of the austerity politics that continue to shape the world today When the news broke in 1975 that New York City was on the brink of fiscal collapse, few believed it was possible. How could the country's largest metropolis fail? How could the capital of the financial world go bankrupt? Yet the city was indeed billions of dollars in the red, with no way to pay back its debts. Bankers and politicians alike seized upon the situation as evidence that social liberalism, which New York famously exemplified, was unworkable. The city had to slash services, freeze wages, and fire thousands of workers, they insisted, or financial apocalypse would ensue. In this vivid account, historian Kim Phillips-Fein tells the remarkable story of the crisis that engulfed the city. With unions and ordinary citizens refusing to accept retrenchment, the budget crunch became a struggle over the soul of New York, pitting fundamentally opposing visions of the city against each other. Drawing on never-before-used archival sources and interviews with key players in the crisis, Fear City shows how the brush with bankruptcy permanently transformed New York—and reshaped ideas about government across America. At once a sweeping history of some of the most tumultuous times in New York's past, a gripping narrative of last-minute machinations and backroom deals, and an origin story of the politics of austerity, Fear City is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today. THE SECOND VOLUME OF THE BUFFY THE VAMPIRE SLAYER COLLECTION, FEATURING CONTENT PREVIOUSLY PUBLISHED IN THE BUFFY THE VAMPIRE SLAYER MAGAZINE Each volume brings together a collection of the best of the official Buffy the Vampire Slayer Magazine content, celebrating the Slayer, her world and her legacy. Featuring cast and crew interviews, in-depth features and behind the scenes pictures and secrets, this is an essential read for Buffy fans old and new. Bendis sets his noir tales at the dark end of the street and proves crime does pay! The highly sought-after oversized hardcover of New York Times best-selling FEAR AGENT is back in print for the first time in a decade! The outlook isn't sunny for Heath Huston and the Fear Agents. Earth is infested by Feeder aliens, robotic conquerors manipulate history via time travel, and heart-breaking betrayal at the hands of a trusted friend has eroded what little faith Heath had in a species whose fate is now in his hands. Fan favorite writer Rick Remender (DEADLY CLASS, LOW) is joined by superstar collaborators Tony Moore (THE WALKING DEAD, Venom), Jerome Opeña (SEVEN TO ETERNITY, Uncanny X-Force), and Mike Hawthorne (Deadpool, Daredevil) in the critically acclaimed series that redefined science fiction. Loaded with side stories, covers, pinups, and artists' sketch galleries. Collects issues #16-32 of Fear Agent Don't you want the Haunt?! Collecting issues #7-12 of the classic terrifying cult horror series, and features gorgeous new digital colors—using Marie Severin's original palette as a guide, this volume includes unforgettable stories drawn by all-star comic artists Johnny Craig, Graham Ingles, Jack Davis, Jack Kamen, George Roussos, Ed Smalle, and Joe Orlando!
