A FINALIST FOR THE 2016 CENTER FOR FICTION FIRST NOVEL PRIZE AND THE 2017 YOUNG LIONS AWARD “A terrifically auspicious debut.” —Janet Maslin, The New York Times “Smart, timely and powerful . . . A rich examination of America’s treatment of race, and the ways we attempt to discuss and confront it today.” —The Huffington Post The Freeman family--Charles, Laurel, and their daughters, teenage Charlotte and nine-year-old Callie--have been invited to the Toneybee Institute to participate in a research experiment. They will live in an apartment on campus with Charlie, a young chimp abandoned by his mother. The Freemans were selected because they know sign language; they are supposed to teach it to Charlie and welcome him as a member of their family. But when Charlotte discovers the truth about the institute’s history of questionable studies, the secrets of the past invade the present in devious ways. The power of this shattering novel resides in Greenidge’s undeniable storytelling talents. What appears to be a story of mothers and daughters, of sisterhood put to the test, of adolescent love and grown-up misconduct, and of history’s long reach, becomes a provocative and compelling exploration of America’s failure to find a language to talk about race. “A magnificently textured, vital, visceral feat of storytelling . . . [by] a sharp, poignant, extraordinary new voice of American literature.” —Téa Obreht, author of The Tiger’s Wife Charlie the train works hard to pull the circus train, passenger trains, and freight trains, in this book that unfolds into a train, with a light and a different car on every page. "In Charlie P author Richard Kalich offers us a singularly unique, comic and outlandish Everyman. A looney-tune figure of the American manchild - the kind of eternally adolescent men one sees on any American street corner - who, in his episodic adventures through life, loses his penis, is completely dismembered, suffocated, starved and cut in half, yet continues to come back for more. At age three, when his father dies, he decides to overcome mortality by becoming immortal. By not living his life he will live forever. Whether he's persuing the girl of his dreams, or a pot of gold at the end of the rainbow, Charlie P ends up with no more than a peck on the cheek or robbed blind. Even when dead and called to Heaven for an accounting, he remains the eternal optimist. Now that he's dead and gone, he finally has a real chance at achieving his ends. He can start over. Having never lived his life, his life has not yet hardly begun. Akin to other great American icons such as Sinclair Lewis's Babbitt, Ring Lardner's Al, and Forrest Gump, Charlie P plumbs the relation between fantasy and reality to offer us a character both asocial and alienated and, at the same time, at the heart of the American Dream."--BOOK JACKET. Gary Elringer, an eccentric young computer genius, had sunk most of his company’s funds into the construction of Smart House—much to the dismay of stockholders, most of whom were family and friends. But, when Gary invited them all to a game of Assassin in the newly built house, he never dreamed he’d wind up dead for real. And, when one of the stockholders ends up dead, it’s clear that nothing less than murder is afoot in Smart House. Constance Leidl and Charlie Meiklejohn’s investigations soon show that all of Gary’s guests had reasons for wanting him dead—but everyone’s alibi is as well constructed as the house itself. Which leads to the next obvious question: Could the house be the killer? Just how smart is Smart House? This book had to be written to finish Charlie and Tadpoles lives as they lived them. This book tells it to the end and I’m sorry to see them go, we had a lot of fun together. I fall in love with each and every one of my characters and these in this book were no exception. I even loved the old master even if he was ruthless; he played a good role in my mind. In this sequel to the New York Times bestselling Charlie Thorne and the Last Equation—which #1 New York Times bestselling author Chris Grabenstein called “a real page-burner”—Charlie searches for Charles Darwin’s hidden treasure in South America. Charlie Thorne is a genius. Charlie Thorne is a fugitive. Charlie Thorne isn’t even thirteen. After saving the world, Charlie is ready to take it easy in the Galapagos Islands. That is, until she’s approached by the mysterious Esmeralda Castle, who has a code she knows only Charlie can decipher. In 1835, Charles Darwin diverted his ship’s journey so he could spend ten months in South America on a secret solo expedition. When he returned, he carried a treasure that inspired both awe and terror in his crew. Afterward, it vanished, never to be seen again... But Darwin left a trail of clues behind for those brave and clever enough to search for it. Enter Charlie Thorne. In a daring adventure that takes her across South America, Charlie must crack Darwin’s 200-year-old clues to track down his mysterious discovery—and stay ahead of the formidable lineup of enemies who are hot on her tail. When an ancient hidden treasure is at stake, people will do anything to find it first. Charlie may be a genius, but is she smart enough to know who she can trust? After his family is kidnapped and taken away to Badlock, Charlie Bone wastes no time in venturing to the forbidden land to fight his greatest enemy and free his beloved family. An insider’s look into the award-winning restaurant of internationally acclaimed chef Charlie Trotter, with techniques and strategies to create top-tier service, food, and atmosphere. Charlie Trotter's Chicago restaurant is not only one of the premier eating experiences in America, it serves also as the model of a thriving business whose cutting-edge approach to management is setting new standards for quality, efficiency, and profitability. In fact, people in just about any field can learn from Charlie's methods. For this breakthrough business guide, journalist Paul Clarke conducted in-depth interviews with Charlie and his associates, distilling invaluable lessons for entrepreneurs and hospitality professionals who are committed to creating highly respected and innovative businesses. Anyone who wants to improve their business will be sure to learn something new from this Midwestern dynamo. All children love mysteries that they can solve themselves with just a little investigating. Jane Barnette has always been told that she is a bright, smart, and intelligent girl who could solve almost anything if she just did a little investigating. All children of today should feel the same way as Jane Barnette. They should feel that they can solve any problem if they just take the time to do a little

investigating. There's a killer on the road... The FBI is squirming like a toad. Dakota Jalen, a brash, young, FBI agent with a crushing cross to bear is remaining calm however. Though not one other agent within the entire bureau has broken "CHARLIE USA's" code, Dakota knows she can do it. From the oppressive heat of the Deep South up into the cool currents of the Northeast, Dakota tails CHARLIE USA state by state until she comes face to face with an un-escapable paradox of endemic proportions. It seems that some people in Dakota's life, and worse, perhaps even herself, have more in common with the monster CHARLIE USA than they'd like to admit. Have you made bad decisions? Are you making more mistakes? Did you lie? Steal something? Hurt someone's feelings? Can you even calculate how many stupid mistakes you've made in the past twelve months? Nearly all bad decisions are preventable. One Stupid Mistake: Smart Decision-Making in a Crazy World offers a simple framework for identifying the thoughts, words and actions that cause you to make poor decisions. Stupid mistakes can ruin your life. Understanding your mistakes and the reasons you make them will help you chart a better course as you navigate our crazy world. In down-to-earth, easy-to-read language, the author tells short stories, offers concise solutions and meditations aimed at growing happier and healthier you. This book is a how to guide to inform riders about how to walk a show jumping course before riding it. Being a big brother isn't easy for Charlie, especially when his sister Halley likes to say poo as much as she does. To make matters worse, the writer of their story is out of ideas. Faced with spending eternity in an unfinished story they convince the Writer to help them go on an adventure spanning time, space, and imagination. With dinosaur petting, getting lost in space, a wild west bank robbery to investigate and an incredibly useful jellybean gun, the kids have no shortage of trouble to get into and out of. And at every step, the Writer is on hand, making changes and trying their hardest to keep things on track. What emerges is a story that's funny, silly, and full of heart. Charlie Munger, Berkshire Hathaway's visionary vice chairman and Warren Buffett's indispensable financial partner, has outperformed market indexes again and again, and he believes any investor can do the same. His notion of "elementary, worldly wisdom"—a set of interdisciplinary mental models involving economics, business, psychology, ethics, and management—allows him to keep his emotions out of his investments and avoid the common pitfalls of bad judgment. Munger's system has steered his investments for forty years and has guided generations of successful investors. This book presents the essential steps of Munger's investing strategy, condensed here for the first time from interviews, speeches, writings, and shareholder letters, and paired with commentary from fund managers, value investors, and business-case historians. Derived from Ben Graham's value-investing system, Munger's approach is straightforward enough that ordinary investors can apply it to their portfolios. This book is not simply about investing. It is about cultivating mental models for your whole life, but especially for your investments. A fussy eater decides to sample the carrots after her brother convinces her that they are really orange twiglets from Jupiter. Charlie was a smart young boy who didn't like to play by the rules. Charlie Anne is devastated when her father must go north to build roads after the Depression hits. She and her siblings are left with their rigid cousin, Mirabel, and a farm full of chores. The only solace Charlie Anne finds is by the river, where the memory of her mother is strongest. Then her neighbor Old Mr. Jolly brings home a new wife, Rosalyn, who shows up in pants—pants!—the color of red peppers. With her arrives Phoebe, a young African American girl who has also lost her mother. Phoebe is smart and fun and the perfect antidote to Charlie Anne's lonely days. The girls soon forge a friendship and learn from each other in amazing ways. But when hatred turns their town ugly, it's almost more than they can bear. Now it's up to Charlie Anne and Phoebe to prove that our hearts are always able to expand. Mentally retarded Charlie Gordon participates in an experiment which turns him into a genius but only temporarily. Goaded by her competition, matchmaker Jane Wright makes a very public bet that she can find the "perfect" match for Manhattan's hottest confirmed bachelor: sexy-as-sin bartender Charlie Goodman. Unfortunately, Charlie is also the man she broke up with on a cocktail napkin. With her company on the line, Jane has no choice but to convince the man of her most impractical dreams to dive back into the dating pool. Charlie doesn't want to see Jane's business fail. He just wants a little revenge. Determined to prove to Jane that chemistry always beats compatibility algorithms, he plans to drive her crazy with desire—then walk away. And his plan is working. A little too well. Because even as Jane scrambles to calculate Charlie's best match, the heat building between them combusts. But Charlie's been so busy outsmarting Cupid that he hasn't noticed that he's the naughty cherub's next target... Each book in the Smart Cupid series is STANDALONE. \* Breaking the Bachelor \* Unexpectedly His \* One Little Kiss "Fast-paced, smart, and action-packed...a real page-burner." —Chris Grabenstein, #1 New York Times bestselling author of the Mr. Lemoncello's Library series From New York Times bestselling author Stuart Gibbs comes the first novel in a thrilling new series about the world's youngest and smartest genius who's forced to use her unbelievable code-breaking skills to outsmart Einstein. Charlie Thorne is a genius. Charlie Thorne is a thief. Charlie Thorne isn't old enough to drive. And now it's up to her to save the world... Decades ago, Albert Einstein devised an equation that could benefit all life on earth—or destroy it. Fearing what would happen if the equation fell into the wrong hands, he hid it. But now, a diabolical group known as the Furies are closing in on its location. In desperation, a team of CIA agents drags Charlie into the hunt, needing her brilliance to find it first—even though this means placing her life in grave danger. In a breakneck adventure that spans the globe, Charlie must crack a complex code created by Einstein himself, struggle to survive in a world where no one can be trusted, and fight to keep the last equation safe once and for all. Can the villain be the hero? They call him Breaker. He enforces mob rule. The guy they send to scare the worst of the worst. He's promised his daughter he'll change his ways. From the mean streets of Manchester and London's gritty ganglands, to the desert heat of Arizona and Hollywood's seedy underbelly, Charlie will stop at nothing to hand out justice. Breaker A ruthless Russian mob boss wants a young witness dead, Will Charlie pull the trigger or put himself in the firing line? Death & Back How far would you go to save a stranger? Charlie drives a truck to London for some fast money. But he never suspects what's in the back. Or the path of violence it will set him on. The Holdup A crashed car. Two dead passengers. A bag of stolen cash. Charlie remembers none of it. And he has no idea just how much trouble he's in. Burnout A Hollywood megastar dies. Everyone thinks it's an accident. Not Charlie. Soon he's digging up all kinds of corruption and painting a bullseye on his back. Walk Away When an old friend is murdered, Charlie returns to his old underworld haunt to track down the killer and exact revenge. But old mafia bosses have put a price on his head and then there's the victim's daughter to protect. Ready to meet Charlie? Grab the series boxset now. City Lust' is the name of a fragrance that sociologist and photographer Charlie Koolhaas found in a Dubai perfumery wholesale showroom. It is also the starting point of an expedition that leads Koolhaas to a variety of places in Africa, Asia, Europe, the Middle East, and the US. In Lagos, Guangzhou, Dubai, London, and Huston, she explores the fast change that a globalized economy forces upon these so very different metropolises. During extended stays in each place, Koolhaas has taken a vast number of photographs, many of them of striking intensity. She focuses her view is not just on the increasing uniformity of cities around the world. Her key objective is to demonstrate the discrepancy between cultural standardization and local diversity in the age of globalization. The visual language of her new book City Lust is everyday photography, pure documentation and captivating observation. The second narrative is Koolhaas's equally fascinating and illuminating essay that brings together her own insight into global trade and its protagonists. Written shortly after William Eastlake's return from Vietnam where he was a reporter for Nation magazine, The Bamboo Bed was one of the first novels to proclaim the insanity of the Vietnam War. The plot revolves around Captain Clancy, who - mortally wounded while leading a charge up Ridge Red Boy - lies dying in a bamboo bed. His final thoughts about the war are juxtaposed against the escapades

of Captain Knightbridge and Nurse Jane of the Search & Rescue Unit, who copulate in their helicopter - the "Bamboo Bed" - at 10,000 feet, setting a wartime record. Down below, two hippie kids wander the jungle trying to end the Vietnam War with a dream and a guitar. Oscar-winning film Charly starring Cliff Robertson and Claire Bloom—a mentally challenged man receives an operation that turns him into a genius...and introduces him to heartache. When middle school mishaps happen, five friends form the S.M.A.R.T. Squad and use their collective skills and the power of science to bring order to their school. Science reigns supreme with this squad of young brainiacs. Join Izzy Newton and her friends in the first adventure of this fun new middle-grade fiction series from National Geographic Kids. A crowded new school and a crazy class schedule is enough to make Izzy feel dizzy. It may be the first day of middle school, but as long as her best friends Allie Einstein and Charlie Darwin are by her side, Izzy knows it'll all be okay. However, first-day jitters take an icy turn when Izzy's old pal Marie Curie comes back to town. Instead of a warm welcome, Marie gives her former pal the cold shoulder. The problems pile up when the school's air-conditioning goes on the fritz and the temperature suddenly drops to near freezing. The adults don't seem to have a clue how to thaw out the school. Cold temperatures and a frigid friendship? Izzy has had enough of feeling like an absolute zero. She rallies the girls to use their brainpower and science smarts to tackle the school's chilly mystery ... and hopefully to fix a certain frozen friendship along the way. Will the girls succeed and become the heroes of Atom Middle School? Charlie, a successful smart home inventor, dies after celebrating the opening night of her latest smart home creation called CANDY. Charlie's spirit enters into the apple-shaped device and controls CANDY while her caretaker, Billie, helps her to find her murderer. The two discover an unexpected secret. But will Charlie and Billie find the murderer before it's too late? Finalist in the 13Horror.com Film & Screenplay Contest 2022 The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write. Charlie's Resurrection By: T-Way Creasy Imagine if you will, a talking scarecrow named Charlie with an intellectual mind and the ability to communicate to the animal world. When Charlie on his cross is suddenly blown over by a powerful thunderstorm and he doesn't have the "spine-bone strength to come to his own aid," it takes his animal friends to come to his rescue. Surprisingly, a crow named Cornelius even takes part in the rescue. To make matters worse, however, a large clan of crows (in the thousands), including a crow-militia, are about to descend upon the cornfield. The story includes a cat named Randolph\* who befriends two mice, an erratic brown rabbit named Bernice who gets into more trouble than she deserves, a fox who eats crow (in more ways than one), a nervous raccoon who has a speech problem, a crow who must defend his rights in the crow community and a scarecrow who dreams he is a human. The story unfolds from dusk to dawn as prey versus predator versus predator, the evolution of unusual friendships, family ties becoming broken, tragedy and mishap ensue, all coming together for one spectacular event—Charlie's Resurrection! Do you enjoy spending a beautiful, sunny day at the beach? So does Charlie Crab. Charlie is a smart, athletic crab who just enjoys every day no matter what he is doing. He loves hanging out with his friends and his strong moral character urges him to also jump right in to offer help wherever it is needed. Seeing the happiness that others get from his help makes him feel special inside. Charlie is going to spend today at the beach just relaxing, swimming, and enjoying time with his friends. However, special events occur with a starfish that gets stuck and some bullies. Charlie eagerly handles these challenges. His actions show that he is always willing to lend a hand (or rather a claw) where needed and that he won't tolerate bullying. The only thing a man can trust is his gun in this gripping Ralph Compton western.... Big for his age, young and impressionable drifter Charlie Chilton is taken in by the gruff leader of a gang of small-time crooks. While Grady Haskell sees something of himself in kindly, wayward Charlie, the ruffian pushes all feelings aside for a potentially big score. When Haskell's bold daylight bank job in prosperous Bakersfield turns bloody, Charlie attempts to thwart the heist—and ends up the only gang member caught alive. Sentenced to swing, Charlie makes a daring escape, determined to track down Haskell and prove his innocence. But with a mysterious marshal and a party of angry townsmen hot on his heels, Charlie must track the killer thieves through a vicious winter storm in the High Sierras—before the seething posse gets the chance to hang him high. More Than Eight Million Ralph Compton Books In Print! What is Chasing Charlie? Exceptionally gifted blues guitarist Charlie Morningstar thinks he knows and he's spent 20 years on the road running from it. Performing for only a sophisticated audience raised on the same kind of classic jazz and blues that shaped his strong musical upbringing, Charlie Morningstar has more important goals than fame and fortune; Charlie Morningstar wants to stay alive! Denying him, his blues band and his brother the chance at superstardom, Charlie goes from one gig to another struggling to keep his eye on the road ahead while always looking back. His sanity begins to unravel until one roller coaster night when déjà vu and incredible serendipity converge to set Charlie on a new road that takes him to where the chase began. Charlie finds a greater reason to stay and is reunited with an old family friend who has vast knowledge of his past, an offer for the present, and ideas about his future; all of which he's taking to his grave! Charlie Fairmile's dad has been accused of bank robbery. Charlie knows he isn't guilty, but the police are convinced he's the Stocking Bandit. They have eye witnesses. They even claim to have evidence. His mother says if his father goes to jail, they'll have to move. So Charlie has to find the real criminal – and fast. With the help of his best friends, Bernadette and Lewis, and his guardian angel, Gideon, Charlie sets out to solve the mystery. But can a blind teenager unravel a crime even the police can't solve? Introducing Charlie, a smart, confident, and spunky hero, his tough-as-nails best friends, and his quirky and mysterious guardian angel in a satisfying and fast-paced modern-day mystery. All Charlie Tickler wants is for his parents to listen. Charlie's parents have left him (again). This time they are off to South Africa to help giant golden moles. And Charlie? He's been dumped with his TV-obsessed grandparents. Lonely and curious, Charlie heads into the village of Castle-on-the-Hudson, where a frightened old woman gives him a desperate message-in sign language. When she suddenly disappears, Charlie is determined to find answers. All Francine (aka Frog) Castle wants is to be the world's greatest detective. Frog, who is Deaf, would rather be solving crimes than working at the Flying Hands Cafè. When Charlie Tickler walks into the cafè, looking for help, Frog jumps at the chance to tackle a real-life case. Together, Charlie and Frog set out to decipher a series of clues and uncover the truth behind the missing woman's mysterious message. Charlie needs to learn American Sign Language (fast) to keep up with quick-witted Frog. And Frog needs to gather her detective know-how (now) to break the case before it's too late. Discover the surprising ways people listen in debut author Karen Kane's page-turning mystery filled with humor, intrigue, and heartwarming friendships. Edgar Award Finalist for Best Middle Grade Mystery Named a best book of the year by NPR, Vogue, and the New York Times Book Review, the hilarious and profound new novel from National Book Award finalist Joshua Ferris is "a fine American novel about family, love, and a decent but flawed man trying to be better" (Stephen King). Someone is telling the story of the life of Charlie Barnes, and it doesn't appear to be going well. Too often divorced, discontent with life's compromises and in a house he hates, this lifelong schemer and eternal romantic would like out of his present circumstances and into the American dream. But when the twin calamities of the Great Recession and a cancer scare come along to compound his troubles, his dreams dwindle further, and an infinite past full of forking paths quickly tapers to a black dot. Then, against all odds, something goes right for a change: Charlie is granted a second act. With help from his storyteller son, he surveys the facts of his life and finds his true calling where he least expects it—in a sacrifice that redounds with selflessness and love—at last becoming the man his son always knew he could be. A Calling for Charlie Barnes is a profound and tender portrait of a man whose desperate need to be loved is his downfall, and a brutally funny account of how that love is ultimately earned. "A masterpiece that shines a revealing light on both family and fiction itself." —Michael Schaub, NPR Coming of age as a Fat brown girl in a white Connecticut suburb is hard. Harder when your whole life is on fire, though. A New England Book Award Winner! Charlie Vega is a lot of things. Smart. Funny. Artistic. Ambitious. Fat. People sometimes have a problem with that last one. Especially her mom. Charlie wants a good

relationship with her body, but it's hard, and her mom leaving a billion weight loss shakes on her dresser doesn't help. The world and everyone in it have ideas about what she should look like: thinner, lighter, slimmer-faced, straighter-haired. Be smaller. Be whiter. Be quieter. But there's one person who's always in Charlie's corner: her best friend Amelia. Slim. Popular. Athletic. Totally dope. So when Charlie starts a tentative relationship with cute classmate Brian, the first worthwhile guy to notice her, everything is perfect until she learns one thing--he asked Amelia out first. So is she his second choice or what? Does he even really see her? Because it's time people did. A sensitive, funny, and painfully honest coming-of-age story with a wry voice and tons of chisme, Fat Chance, Charlie Vega tackles our relationships to our parents, our bodies, our cultures, and ourselves.
