Dear Fahrenheit 451 Aug 20 2021 "If you love to read ... you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to throw them against the wall ... In [this book], librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with *The Giving Tree* (a dysfunctional relationship book if ever there was one), to her love letter to *The Time Traveler's Wife* (a novel less about time travel and more about the life of a marriage, with all of its ups and downs), Spence will make you think of old favorites in a new way"--Dust jacket flap.

Animal Farm Illustrated Sep 20 2021 George Orwell's *Animal Farm* is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that

rise to the top, pushing others down in the process.

Paris Trance Apr 03 2020 People talk about love at first sight, about the way that men and women fall for each other immediately, but there is also such a thing as friendship at first sight. Luke moves to Paris with the idea of writing a novel but things get in the way. He becomes friends with a fellow expatriate, Alex; then he falls in love with Nicole. Alex meets Sahra, and the two couples form an intimacy that changes their lives. As they discover the clubs and cafés of the eleventh arrondissement, the four become inseparable, united by deeply held convictions about dating

strategies, tunneling in P.O.W. films, and, crucially, the role of the Styrofoam cup in action movies. In this book, Geoff Dyer fixes a dream of happiness—and its aftermath—with photographic precision. The Cat and The City Mar 03 2020 In Tokyo—one of the world's largest megacities—a stray cat is wending her way through the back alleys. And, with each detour, she brushes up against the seemingly disparate lives of the city-

dwellers, connecting them in unexpected ways. But the city is changing. As it does, it pushes her to the margins where she chances upon a series of apparent strangers—from a homeless man squatting in an abandoned hotel, to a shut-in hermit afraid to leave his house, to a convenience store worker searching for love. The cat orbits Tokyo's denizens, drawing them ever closer. In a series of spellbinding, interlocking narratives—with styles ranging from manga to footnotes—Nick Bradley has hewn a novel of interplay and estrangement; of survival and self-destruction; of the desire to belong and the need to escape. Formally inventive and slyly political, *The Cat and The City* is a lithe thrill-ride through the less-glimpsed streets of Tokyo.

Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about

John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. "[Ray] Bradbury is an authentic original."—Time

Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan.
