The team behind the New York Times bestselling Wolfie the Bunny and Horrible Bear! is back with new Arctic characters in this hilarious learning-to-read adventure! Aboard the S.S. Cliff, First Mate Foxy reads an interesting fact: "Lemmings don't jump off cliffs." But Foxy can't get the lemmings on the Cliff to read his book, too. They're too busy jumping off. Fans have fallen in love with Liz Climo's charmingly quirky animal kingdom, which was first featured in *The Little World of Liz Climo* a place where porcupines, anteaters, and grizzly bears all grapple with everyday life with wit and humor. The bestselling creators of the hilarious *Penguin Problems*, Jory John and Lane Smith, turn a giraffe's problematic long neck into an enviable advantage in this fun board book. Edward the giraffe can't understand why his neck is as long and bendy and, well, ridiculous as it is. No other animal has a neck this absurd. He's tried disguising it, dressing it up, strategically hiding behind bushes--honestly, anything you can think of. Just when he has exhausted his neck-hiding options and is about to give up, Cyrus the turtle ambles in (very slowly) and helps Edward understand that his neck has a purpose and, besides, looks excellent in a bow tie. Along with a heavy dose of humor comes a gentle reminder about the importance of acceptance. Born from the book that went viral, *If Animals Could Talk*, Carla Butwin and Josh Cassidy created this coloring book so you can further channel and engage with the realness. Combining dark humor and intentionally child-like illustrations, they dive deep into the unfiltered minds of your favorite animals, from the blobfish to the blowfish, iguana to raccoon. In the immortal words of the llama, Everything's f*cked. But at least we can color, laugh, and commune with nature at its raunchiest. Though initially thrilled, the kid quickly discovers that dragons aren't quite as awesome as they originally thought. From the scooting to the digging to the fire-breathing, our Kid is dismayed that they still haven't found their perfect pet. Little do they know, that pet might just be right around the corner . . . In this companion to *Rory the Dinosaur: Me and My Dad*, Rory brings the Christmas spirit to his friends and family! When *Rory the Dinosaur* starts to get excited for Christmas, he notices that his island home doesn't exactly have the best trees for a traditionally festive holiday. Maybe then the new kid wouldn't be so bad after all. From a young age, Guy Branum always felt as if he were on the outside looking in. From a stiflingly boring farm town, he couldn't relate to his neighbors. While other boys played outside, he stayed indoors reading Greek mythology. And being gay and overweight, he got used to diminishing himself. But

little by little, he started learning from all the sad, strange, lonely outcasts in history who had come before him, and he started to feel hope. In this “singular, genuinely ballsy, and essential” (Billy Eichner) collection of personal essays, Guy talks about finding a sense of belonging at Berkeley—and stirring up controversy in a newspaper column that led to a run-in with the Secret Service. He recounts the pitfalls of being typecast as the “Sassy Gay Friend,” and how, after taking a wrong turn in life (i.e. law school), he found stand-up comedy and artistic freedom. He analyzes society’s calculated deprivation of personhood from fat people, and how, though it’s taken him a while to accept who he is, he has learned that with a little patience and a lot of humor, self-acceptance is possible. “Keenly observant and intelligent, Branum’s book not only offers uproarious insights into walking paths less traveled, but also into what self-acceptance means in a world still woefully intolerant of difference” (Kirkus Reviews, starred review). My Life as a Goddess is an unforgettable and deeply moving book by one of today’s most endearing and galvanizing voices in comedy. ‘Text me when you get home.’ After joyful nights out together, female friends say this to one another as a way of cementing their love. It’s about safety but, more than that, it’s about solidarity. A validation of female friendship unlike any that’s ever existed before, Text Me When You Get Home is a mix of historical research, the author’s own personal experience, and conversations about friendships with women across the country. Everything Schaefer uncovers reveals that these ties are making us, both as individuals and as society as a whole, stronger than ever before. We all need a reminder that we’re loved and we matter, and international bestselling author Liz Climo delivers that dose of warmth and love in her new book Sometimes we just need a little pep talk to remind us that we’re doing our best. With help from her charming animal drawings, Liz Climo encourages us to embrace the joyful moments, get back up after falling down, and always love ourselves. A little book to let someone know how important they are to you or a thoughtful gift you can give to yourself, I’m So Happy You’re Here highlights how truly amazing we are. Like a good friend, it will lift you out of low moments and keep you company until they’ve passed, making you laugh and cry while reminding you that you’re loved, you matter, and we’re all really happy you’re here. As seen on Happify Daily! “Marzi’s charming and irreverent illustrations are exactly what young and old introverts need to approach their temperament with wisdom and self-affirmation.” --Susan Cain, author of Quiet Whoever said there’s strength in numbers lied. Meet Marzi. She’s an introvert who often finds herself in awkward situations. Marzi used to feel strange about her introverted tendencies. Not anymore! Now she knows that there are tons of introverts out there just like her--introverts who enjoy peace and quiet, need time alone to recharge their battery, and who prefer staying in with their pet and a good book to awkward social interactions. Just like Marzi, these introverts can often be found in libraries, at home watching Netflix, brainstorming excuses to miss your next party, or doodling cute cartoons. Being an introvert in an extrovert world isn’t always easy, but it certainly is an adventure. In Introvert Doodles, follow Marzi through all of her most uncomfortable, charming, honest, and hilarious moments that everyone--introvert, extrovert, or somewhere in between--can relate to. STOP RIGHT THERE. Don’t move a muscle, buster. Stay out of this book or I WILL CHOMP YOU! So says the not-so-fierce inhabitant of I Will Chomp You!, a tale of deception, greed . . . and cake! In their funny read-aloud, Jory John and Bob Shea bring a fresh twist to a time-tested blueprint as their little monster threatens, reasons, and pleads with readers to go no further in the book because he will NOT share his beautiful, delicious cakes. Children will identify with the monster’s high valuation of his possessions, and (importantly) will laugh at the silly measures he takes to protect them. “A monster’s reign of terror begins even before the title page: “HEY. GO AWAY.” Turn to the title page and there the monster waits, blue-skinned and angry-eyed: “I WILL CHOMP YOU!” As the reader turns the pages, the monster’s direct-address threats increase: “If you turn any more pages...I WILL CHOMP YOU, BUSTER!” Another page turn and the monster is even angrier: “NOW QUIT IT!” Until finally, “HEY! I’m warning you! You’ve been officially WARNED! CHOMP!” Unfortunately for the monster, the reader is just too fast, and its chomp misses the mark. The monster proceeds to bite, yell, and barrel its way through the pages, repeatedly trying to halt-by-chomping the reader from reaching its secret hidden in the back pages of the book (psst, it’s cake). This book, written entirely as monster monologue, is all bright colors and sharp edges, creating a feeling of temper-tantrum immediacy that matches the silly-angry words. Shea’s illustrations are bold but not too busy, giving the impression of fast movement and strong emotions, and the striped shirt-wearing monster is lovable in an ankle-biting kind of way. The fast pace, funny faces, and silly secret make this a great read-aloud.” — Siân Gaetano THE HORN BOOK The talented creators of I Will Chomp You! brilliantly frame the struggle to buck stereotypes and learn empathy in this monster’s hilarious lament. Floyd Peterson is so much more than shaggy purple fur and pointy monster teeth— why can’t people just see him for him? Jory John and Bob Shea have struck gold in creating a knee-slapping, read-it-again story that will start a valuable discussion about how we treat others and how it feels to be seen as “different.” For dog owners and lovers everywhere, C. J. Frick’s Be the Person Your Dog Thinks You Are is a humorous, fully illustrated book that shows us that even when we feel at our worst, our dogs still think we’re the best—so start acting like it! Pete is the consummate bad boy. He’s everything Bird is not: wild, unambitious and more than a little dangerous. Although she knows he’s trouble, Bird can’t stay away. And the more drawn she is to Pete, the more cracks are revealed in her relationship with Griffin, her doting boyfriend. Meanwhile, her parents’ marriage is also fracturing, possibly for good. Bird is way out of her comfort zone. All it takes is one mistake, one momentary loss of control, for her entire future to be blown away . . . Sloth worries about getting there on time, snake can’t seem to get his backpack fastened onto his body, and bunny is afraid she’ll want to hop around instead of sitting still. When they all arrive at their classroom, though, they’re in for a surprise: Somebody else is nervous too. It’s their teacher, the armadillo! He has rolled in as a ball, and it takes him a while to relax and unfurl. But by the next day, the animals have all figured out how to help one another through their jitters. School isn’t so scary after all. “Out-of-the-box PR campaigns” for authors to get their books to legions of readers from “one of the best publicists in the business” (James Rollins, #1 New York Times bestselling author).
