Ruminations Aug 21 2021 Ruminations is a collection of poems that were all written in 2021. Covid-19 was ravaging the world and most of us were stuck at home. The first poem, "Sweetheart", was written on my wedding anniversary. Typically, I go to our backyard to make a rose bouquet for my wife. This year, there were no roses in the garden. Fearing how my wife would react prompted me to write this poem. I shared the poem with my siblings who were all taken aback that I could write poetry. They encouraged me to write more. And my journey in verse began. I cannot say I am a poet but I did discover that I was able to take everyday life situations and put them in verse. Hence the title "Ruminations, Flashes of Thoughts, Sentiments and Emotions". I then shared with other family members and friends and the reaction was encouraging. I also started blogging. I now have written just under 300 poems in 2021. Not sure if this will be a lifelong passion or not. Time will tell. But I hope you enjoy reading these as much as I have enjoyed writing them.

Ranulfo also enlisted author Peter Wogan, a white anthropology professor with a penchant for self-doubt, as his confidante and sidekick in this quest. Any Dream Will Do Jan 02 2020 #1 NEW YORK TIMES BESTSELLER • Debbie Macomber returns with a powerful standalone novel about a woman forced to start her life anew, embarking on the most courageous journey of all—to a place where she learns what love and trust really mean. Shay Benson adored her younger brother, Caden, and that got her into trouble. When he owed money, Shay realized she would do anything to help him avoid the men who were threatening him, and she crossed lines she never should have crossed. Now, determined to start fresh, she finds herself in search of a place to stay and wanders into a church to escape from the cold. Pastor Drew Douglas adored his wife. But when he lost her, it was all he could do to focus on his two beautiful kids, and his flock came in a distant third. Now, as he too is thinking about a fresh start, he walks through his sanctuary and finds Shay sitting in a pew. The pair strike up a friendship—Drew helps Shay get back on her feet, and she reignites his sense of purpose—that, over time, turns into something deeper, something soulful, spiritual, and possibly romantic. Even Drew’s two children are taken with this woman who has brought light back into their lives. Perhaps most important, Shay learns to trust again as she, in turn, proves herself trustworthy to her adopted community. But Caden’s return to town and a disastrous secret threaten to undo the life Shay has tried so hard to rebuild. It will take the utmost courage and faith if she and Drew hope to find healing and open their hearts to a brighter future. Praise for Any Dream Will Do “Emotional, romantic and inspirational, the latest novel from romance maven Macomber is a must read! . . . Shay’s journey is one of courage, and there’s something in her story for every reader.”—RT Book Reviews “Any Dream Will Do is . . . so realistic, it’s hard to believe it’s fiction through the end. Even then, it’s hard to say goodbye to these characters. This standalone novel will make you hope it becomes a Hallmark movie, or gets a sequel. It’s an inspiring, hard-to-put-down tale. . . . You need to read it.”—The Free-Lance Star “Any Dream Will Do by Debbie Macomber is a study in human tolerance and friendship. Macomber masterfully shows how all people have value.”—Fresh Fiction “Macomber never disappoints. The message is uplifting and inspirational. Fans of Christian fiction or crossover works with a positive message will enjoy this book.”—Library Journal

Dreaming with Polar Bears Apr 16 2021 A guide to co-dreaming with animals for personal and

planetary evolution • Presents lucid dream encounters with living polar bears and teachings from polar bear spirits • Explores ways to consciously engage with dreams, co-dream with animals through shared awareness, and form human-animal dream relationships • Reveals the role of human-polar bear dreaming in the Earth's planetary evolution Dreams speak to us on deep levels. Through dreaming we open a gateway to our inner world. Through lucid dreaming we open to conscious interaction with the surroundings, happenings, and living beings within the dreamscape. Over many years, animal communicator Dawn Baumann Brunke dreamed of polar bears. One night, a lucid dream triggered the realization that not only was she dreaming of a living polar bear but also that the polar bear was dreaming of her. Through shared dream encounters, Brunke became adept at connecting with the bear both while asleep and awake. Together, they explored nonphysical locales where lucid dreamers meet to join in consciousness and co-dream together. Recounting the dreams she had with polar bears as well as with a council of spirit bears, Brunke presents techniques she learned to enter shared dreamscapes and form meaningful dream relationships with other species. Brunke also examines how our assumptions about polar bears, or any animal, can teach us about ourselves. As we awaken to the wisdom of our dreams, we begin to heal ourselves and our Earth. Sharing ways to recall dreams and engage lucid dream awareness, Brunke shows how dreamwork can help us forge deeper connections with the natural world and move more consciously in planetary evolution with all beings. Guided by the polar bears in her dreams, the sacred guardians of North Pole evolutionary energy, Brunke reveals how we can each dream ourselves awake and, with animal companions and guides, help dream a new world into being.
