BESTSELLER | A REESE'S BOOK CLUB PICK "A great narrative about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of the forthcoming *Someone Else's Shoes*, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

The Sleep Doctor's Diet Plan Sep 08 2020 Losing weight while you sleep may sound too good to be true, but in fact the connection between inadequate sleep and weight gain (among a host of other negative medical results) has long been recognized by medical researchers. Turning this equation on its head, clinical psychologist and board-certified sleep expert Dr. Michael Breus shows that a good night's sleep will actually enable you to lose weight, especially if you have been chronically sleep deprived. The Sleep Doctor's Diet Plan is designed to help any person who has been frustrated by her inability to shed weight by giving her the tools to overcome the stress, poor habits, and environmental challenges that stand between her and adequate rest. Sleep deprivation is a frustrating reality for many women faced with chronic stress or hormonal changes--and the fatigue, moodiness, and weight gain that come with it might just be the tip of the iceberg. While helping thousands of women implement simple

health and lifestyle changes to improve the quality and the quantity of their slumber, Dr. Breus has witnessed not only an upsurge in their energy levels and a diminishing of myriad health concerns, but also significant weight loss achieved without restrictive dieting or increased amounts of exercise. In *The Sleep Doctor's Diet Plan*, Dr. Breus delves into the science behind this sleep-weight-loss connection, explaining exactly how sleep boosts your metabolism, ignites fat burn, and decreases cravings and overall appetite, and he presents a realistic action plan to help you get your best sleep--and your best body--possible. He shows how you can overcome your personal sleep obstacles with a slumber-friendly evening routine, stress management techniques--even recipes for healthy meals and snacks--to help you fall asleep more easily. If you are ready to stop tossing and turning night after night, if you are done downing coffee to conquer nagging fatigue, and if you have bounced from one diet to another in an effort to find one that really, finally helps you lose the pounds you want, *The Sleep Doctor's Diet Plan* has the information, advice, and practical strategies you need to get deep, revitalizing sleep--and achieve a slimmer, healthier body in the process.

Time for Bed's Story Sep 20 2021 A child's bed tells it like it is! Bed has something to say. Bed knows you do not like bedtime. And Bed gets it. But look ... YOU are not so great, either ... Bed is fed up. Bed's patience is wearing thin. For years, Bed has put up with the kicking, the jumping and the storing of all manner of stinky items. But enough is enough. Now it's time to consider Bed's feelings ... Hearing Bed's side of the story just might get kids to want to go there!

Time for Bed Nov 03 2022 As darkness falls parents everywhere try to get their children ready for sleep.

The Power of When Mar 03 2020 Learn the best time to do everything -- from drink your coffee to have sex or go for a run -- according to your body's chronotype. Most advice centers on what to do, or how to do it, and ignores the when of success. But

exciting new research proves there is a right time to do just about everything, based on our biology and hormones. As Dr. Michael Breus proves in *The Power Of When*, working with your body's inner clock for maximum health, happiness, and productivity is easy, exciting, and fun. *The Power Of When* presents a groundbreaking program for getting back in sync with your natural rhythm by making minor changes to your daily routine. After you've taken Dr. Breus's comprehensive Bio-Time Quiz to figure out your chronotype (are you a Bear, Lion, Dolphin or Wolf?), you'll find out the best time to do over 50 different activities. Featuring a foreword by Mehmet C. Oz, MD, and packed with fascinating facts, fun personality quizzes, and easy-to-follow guidelines, *The Power Of When* is the ultimate "lifhack" to help you achieve your goals.

I Said, Bed! May 17 2021 "Go to bed." "No." "I said BED." "I said NO!" Mom eventually wins this argument, but even after her son is all tucked in, his opinion hasn't changed. "Bed is boring," he whispers to his teddy bear. Teddy, however disagrees. "This bed is GOOD," he says. "This bed can GO." Indeed, with a few alterations, the bed is suddenly mobile--and boy and bear are journeying down the road, to outer space, where the boy concludes that this is one bed that's worth fighting for! A perfect story for early readers--some of whom may still be waging bedtime battles of their own.

Lilac Girls Nov 22 2021 NEW YORK TIMES BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change history in their quest for love, freedom, and second chances. “Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah’s *The Nightingale* and Anthony Doerr’s *All the Light We Cannot See*.”—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But Caroline’s world is forever changed when Hitler’s army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. The Vines We Planted Apr 27 2022 In the heart of the California wine country, secrets seem to grow on the vines that Uriel Macon's family have tended for generations. Uriel, the winery's young widower, steers clear of complicated relationships. He prefers the lonely comfort of his vineyard and his horses, until he is reminded of his love affair with Amanda Scanlon; a relationship that ended when she abruptly left the country years ago under a cloud of mystery. When Amanda returns to Sonoma because of a family crisis, she tries to mend the broken relationships she left behind. In addition, she seeks the truth about her parents' complicated history and her own parentage. But Amanda's unveiling of the past has devastating consequences. In the midst of California's beautiful Sonoma Valley, the Scanlon family struggles to overcome harsh realities with dignity and grace. Both Amanda and Uriel stretch to take care of their families, which are facing immigration issues, marital crises, and loss. While navigating these challenges, the couple must decide if they trust themselves to love again, or to finally let each other go. A Sonoma local, author Joann Serra's debut novel is captivating, poignant, and uplifting, demonstrating how seeds planted long ago continue to grow. Sometimes into a strangling weed, sometimes offering a bountiful harvest.
